Monthly
Report

Manager's Lowdown

Greetings All,

2018 is here and we are off and running! We had much to discuss at the January Steering Committee meeting; here is a run-down for those who couldn't attend.

I will be working with the Executive Committee over the next several months to update our Strategic Plan. My goal is to have a finished three-year Strategic Plan ready for Steering Committee approval at the July meeting. I welcome everyone's input and ideas, and will most likely be sending out a few updates, questionnaires or surveys in the coming months. Please do feel free to get in touch with me and let me know your thoughts and ideas on where the YLN should be heading and what our focus should be over the next three years.

I'm happy to report that the automated materials handling (AMH) machine has been ordered and if all goes as planned, we're looking forward to a second quarter 2018 installation. This should streamline the transit process and the amount of time it takes for each library to process their holds.

I have also order two new servers for the Network. These servers will come with a five-year warranty and will increase both the security and redundancy of our ILS.

Our DPLA trial has begun and our four test libraries (Embry-Riddle, Beaver Creek, Camp Verde Community, and Prescott Public) have begun testing the DPLA Exchange for ordering and will soon test the Circulation Manager and then move on to allow a select group of their patrons to access those materials and test the SimplyE app.

In addition, Chanel is working on adding a security certificate (SSL) to our catalog. This will make our catalog a more secure site and will stop that pesky security warning pop-up from happening that appears in Firefox when patrons try to sign-in.

We are also in the process of changing several library codes in Symphony. So far, YFL has changed to YCFLD. More changes will take place in February and we'll notify you as the next few changes take place.

In other news, we are continuing to work with the AZ State Library and Arizona Community College Library Consortium on a statewide purchasing consortium. It's a slow process, but I have high hopes that we will be able to see it to fruition.

Finally, this month we bid farewell to Vanessa Ward, as she retires as Director of Cottonwood Public Library. She will be missed! At the same time, we welcome Ryan Bigelow as the new Director. Welcome Ryan!

~ Judy

Member News

At **Prescott Public Library:**

Become an Arizona Military/Veteran Resource Navigator
February 28 - 9:30 am - 12 pm
Register online: <https://acmf2018navigationtraining.eventbrite.com>

At **Cottonwood Public Library:**

Ryan Bigelow will be the new Library Manager as of February 4.

The Library presents STEAM-ology!

February 21 - 2 pm - 5 pm

At **Sharlot Hall Museum:**

Downwinder: Do You Qualify for R.E.S.E.P. Compensation?

February 10 - 2 pm in the West Gallery

Prioritization

Priority One: Resolve Current Helpdesk Requests

A help desk request, or work order, is the submission of a problem that one encounters during the normal operation of a YLN service. Requests are generally submitted via e-mail to help@yln.info. If a request is submitted via telephone, then a YLN staff person will create the request for the submitter. Help desk requests will always be our highest priority because in some cases a member library employee cannot complete a work function until the issue is resolved.

Total requests submitted: 55

Total requests resolved: 48

Total unresolved requests opened this month: 6

Total requests still open: 24

Priority Two: TechLogic Contract and Purchase of AMH

Review cCreate new TechLogic contract and order an AMH for central sorting facility.

Goal: Create a contract for an RFID/AMH system.

Project Lead: Judy Poe

Progress:

- Review contract
- Negotiate CircIT unlimited site license
- Negotiate AMH service programs/preventative maintenance contract
- Work with County attorney to draft master contract
- Combine contracts into one master contract
- Have Executive Committee review contract
- Have Steering Committee approve contract
- Negotiate with TechLogic over final contract
- Upon contract approval by both parties, order AMH
- Install AMH
- Put AMH into production

Priority Three: YLN Strategic Plan

While the YLN has been very good about technology planning, the overall vision and strategy of the YLN has been more elusive. The Executive Committee has been working on developing a vision, mission, and strategic plan.

Goal: Develop a strategic plan that will bring the YLN to the year 2025.

Project Lead: Judy Poe

Progress:

- Review strategic plan (in process)
- Collect information from member libraries
- Incorporate feedback into the plan
- Get approval for the updated plan
- Change the bylaws if necessary
- Distribute the new plan

Priority Four: Implement BC Visibility

BlueCloud Visibility is a new product by SirsiDynix which converts our online catalog to a linked data model. This will make our records visible in search engines such as Google.

Goal: Implement BC Visibility

Project Lead: Chanel Wheeler

Progress:

- Receive a quote from SirsiDynix
- Get approval for the purchase
- Receive an implementation plan from SD
- Offload our bibliographic database to SD to be processed.
- Test the implementation.
- Go Live
- Advertise the new service

Note concerning prioritization: The priority of projects may shift as individual portions are completed.

Prioritization

Priority Five: Implement Blue Cloud Cataloging

Blue Cloud Cataloging will allow library staff to access Symphony cataloging from a web browser. The new product should have significant user interface improvements above the cataloging section in WorkFlows.

Goal: Fully implement Blue Cloud Cataloging (BCC)

Project Lead: Chanel Wheeler

- Upgrade Web Services so we can use BCC
- Configure Web Services for the new service
- Test BCC to see how it works
- Create documentation
- Activate it for a test library to see how it works in a production environment
- Conduct a training session for all YLN users
- Activate it for the remaining libraries

Completed Projects CY17

Cancelled/Postponed Projects CY17

Priority Six: Testing SimplyE

Partnering with the Digital Public Library of America (DPLA), the YLN will be testing SimplyE which allows patrons to view all our e-materials at one site.

Goal: Fully implement SimplyE at several pilot libraries

Project Lead: Chanel Wheeler

- Choose libraries to be the pilots
- Have pilot libraries test DPLA Exchange and SimplyE
- Give feedback to DPLA
- Roll out to all YLN libraries
