

# Yavapai Library Network

February  
2019  
Monthly  
Report

## Manager's Lowdown

No manager's report this month.

# Member News

At the **Cottonwood Public Library:**

Verde Valley Comic Expo

March 23 10am - 5pm at the Rec Center Gym

For more information, see <http://www.verdevalleycomicexpo.com/>

# Prioritization

## Priority One: Resolve Current Helpdesk Requests

A help desk request, or work order, is the submission of a problem that one encounters during the normal operation of a YLN service. Requests are generally submitted via e-mail to help@yln.info. If a request is submitted via telephone, then a YLN staff person will create the request for the submitter. Help desk requests will always be our highest priority because in some cases a member library employee cannot complete a work function until the issue is resolved.

**Total requests submitted: 64**

**Total requests resolved: 59**

**Total unresolved requests opened this month: 5**

**Total requests still open: 33**

## Priority Two: Community Calendar

Libraries have requested a community calendar for years, but there was no solution available. Calendar software for the library market is now being developed.

**Goal:** Implement a community calendar

**Project Lead:** Chanel Wheeler

- Evaluate available calendaring products
- Get quote
- Sign contract for product (if needed)
- Implement calendar
- Go live with a subset of test libraries
- Roll it out to the Network
- Test with a community organization
- Open it up to all organizations that would like to participate

## Priority Three: End of Life StaffWeb

SirsiDynix will no longer be supporting StaffWeb so the District is going to stop paying for it as of July 1, 2019.

**Goal:** Move everyone from StaffWeb to WorkFlows

**Project Lead:** Chanel Wheeler

- Port Billing Notice over to WorkFlows
- Train StaffWeb users on WorkFlows
- Turn off StaffWeb server

## Priority Four: Improve Database Quality

Enhance the operation of the catalog for patrons and staff by improving material description, subject and genre access, and data integrity. These tasks are for materials already in Symphony.

**Goal:** Improve patron and staff search experience

**Project Lead:** Eric Petersen

- Correct structurally invalid bibliographic records in Symphony
- Complete cataloging and descriptions of Adult Books
- Add Subject Headings and Genre Headings to bibliographic records that lack them
- Complete cataloging and description of Youth Books
- Complete cataloging and descriptions of Adult non-book materials
- Complete cataloging and description of Youth non-book materials
- Clean-up genre headings to conform to current standards

Note concerning prioritization: The priority of projects may shift as individual portions are completed.

# Prioritization

## Priority Five: Implement Blue Cloud Cataloging

Blue Cloud Cataloging will allow library staff to access Symphony cataloging from a web browser. The new product should have significant user interface improvements above the cataloging section in WorkFlows.

**Goal:** Fully implement Blue Cloud Cataloging (BCC)

**Project Lead:** Eric Petersen

- Upgrade Web Services so we can use BCC
- Configure Web Services for the new service
- Test BCC to see how it works
- Create documentation
- Activate it for a test library to see how it works in a production environment
- Conduct a training session for all YLN users
- Activate it for the remaining libraries

## Completed Projects CY19

## Cancelled/Postponed Projects CY19
